Rieber... serving better food

Whether it's education, healthcare, custodial or business, whatever cost sector catering issues you have, we have a solution just for you.

Take a closer look at some of what we have to offer..

GN Pans: Rieber invented the Gastronorm container and is the world's major manufacturer.

Refrigeration: Our range includes lockable multi-compartment fridges and freezers.

Thermoport food transport: Available heated or unheated and ideal for internal and external use.

Crockery and Plate dispensers: Rieber offers a variety of tough, reliable and safe dispensers.

Serving and distribution: Mobile bains maries, GN 1/1 heated or refrigerated delivery trolleys, food conveyors, banqueting trolleys, breakfast and clearing trolleys.

Norm stainless steel food transport trolleys: Deliver food to wards from the main kitchen. Very robust, with 3 x 1/1 GN capacity.

Regio Station: A multifunctional regeneration, transportation, storage and distribution trolley, programmable over 7 days. Suitable for bulk or individual meals.

Unitray and DSPRO & PROSERVE Shuttle: Distribute hot and cold food on a single tray, suitable for cook-serve, cook-chill & cook-freeze.

HACCP: °CHECK system offers a transparent and safe option for digitally documenting all of your HACCP data in real-time and retrieving it anytime and anywhere.

Varithek front cooking: Self-ventilating, no need for overhead extraction; ideal for servery or mobile for functions for fresh better healthy food choices.

Cooking kettles: Cook, mix and cool almost any kind of food. The leading combi kettle in use at hospitals and CPU's throughout the UK.

... and so much more
